

Nailtiques – Manicure and Pedicures

Nailtiques Protein Formula 2 has won the award for Best Treatment for Problem Nails three times and has now entered in Style Magazine's Hall of Fame.

Nailtiques Manicure

£20.00

This is a treatment manicure which includes analysis of your particular nail type and prescribes a formula to promote good nail health. The nails are shaped and a variety of oils and creams used to treat the whole hand and nails. Also included is a luxury hand and arm massage. This treatment includes your nails painted in the colour from the popular ORLY range of nail varnishes.

Nailtiques Luxury Manicure

£30.00

This brings together the Nailtiques Manicure (above) with the addition of a hand and arm exfoliation treatment and then the application of relaxing heated mittens which ensures all the oils and creams used are penetrated as deep into the dermal skin layers as possible which leaves the skin luxuriously soft and moisturised.

Nailtiques Pedicure

£20.00

This luxury foot and leg treatment using Nailtiques superior oils and creams promotes softer and smoother skin on legs and feet. Finishing with perfectly pedicured toes; choosing from the ORLY colour range of nail varnishes.

Nailtiques Luxury Pedicure

£30.00

This brings together the Nailtiques Pedicure (above) but with particular attention to hard skin areas, exfoliation of the legs and feet and the use of heated boots to ensure deeper penetration of the specific indulgent creams into the skin. This is the ultimate foot experience that leaves your feet feeling pampered. This service is also finished off with a perfectly applied nail varnish.
